

# Screening Students for Enrichment and Intervention Programs

Use the *Iowa Assessments* at all grade levels to identify student strengths and weaknesses and screen students for enrichment and intervention programs.

Assessments at all grade levels are available in two ways:

## Online

Focus on student achievement across all content areas by administering the *Iowa Assessments* online, Levels 5 to 17/18. The price is \$10.50 per student.

## Paper and Pencil

Administer the *Iowa Assessments* by ordering the grade levels and quantities you need through Online Tools. The price is \$5.50 per student.
